RE: LEE HARVEY OSWALD
Internal Security - R - Cuba

Relative to the rumor of Oswald's being an informant of the FBI, inasmuch as this has reached certain Senators we wonder if it might not be advisable for Assistant Director Evans to show a copy of our affidavit to the Attorney General. He is bound to hear about this rumor. We are reluctant to send a copy over to the Department, in view of their penchant for leaking information out. If the Director agrees, we can have Evans mention the situation to the AG and show him a copy of the affidavit.
